

Qian Shi Jie Sheng
is the name of a gatehouse.

In the urban town, this is the
center of culture. The kind of
this house is not an exception.

This is also the place
where I, Wu Yan

a 18-year-old girl
works everyday

Not except tea set,
also do other business

A business that
is very quiet

A business's dealings
with the previous incarnation.

I wonder if you've ever heard of
a saying: If you want to know
your past life, something will
happen to this life eventually.

The seed of the past life, fruit of
the next life, if you had
already sown the seed,

no, regardless of all the
cycles of reincarnation
you have gone through,
you would never escape
from its consequences.

Is there any way to dissolve it?
Perhaps there's none, it's hard
to dissolve. So boring.

The Goddess thinks nothing of it.
Shouldn't she take all a person's
actions in this and previous births as
retribution, instead of deciding their fate
in future's incarnation?

The fee of this business, is...

This portion is our master.

The owner of
this railroad, Si Yin.

I was raised by Shi Yin alone.
I was young, so of course, he's
the closest person to me.

When I started
to understand things, I
rarely saw Shi Yin smile.

and I never see
him angry or sad.

It's always calm, as if nothing
in this world can shake him.

To be honest, other than
knowing that his name is
Shi Yin?

I don't know anything
else about him, such as age,
or nationality.

From the beginning and until now it's
always been Kōshirō (Shi Xiang) who's been
travelling between this and space in
search of the prehistoric ruins of the
person who controls us.

It's not like we're
about to follow after him.

Starting from today, I'll be
the same as Shi Xiang, who can travel
around within 3000 years.

Every time I hear Shi Xiang tell me
the story of time and space, my
eyes are brimming for adventure,
and now I can finally go myself!

Shi Xiang,
I'm too excited,
but...

That Shi Xiang
always said to me,

Wait!
I can't see the
person who
controls us!

Didn't I
tell you!

NOT EVERYONE
COULD COME TO
ENTRUST.

COMING HERE
TO ENTRUST
IS THOSE WHO
ARE FATED.

That's right. If Mr. Li say that
as long as a person whose personal
information is involved, they can
know about this place. The majority
of them can usually recall anything
about they work up.

There is also people usually do
not believe it, some just laugh
that that's it, only a person
who is truly fated can know
this place to exist.

To many people, they would say
it's just a foolishness.

A very unusual foolishness.
